Hutchinson, J. On Leprosy and Fish Eating.
Meig, H. La lèpre dans l'art, Nouvelle iconographie de la Salpetriere.

¹ This chronology of books does not pretend to be comprehensive and it does not include publications which may be regarded as pamphlets. It presents a selection of books which have come to attention as playing a role in the development of present concepts of leprosy or as being particularly useful. Any omission of a major work is unintentional.

- Thompson, J. A. and Cantlie, J. Leprosy Prize Essays. London: New Sydenham Society.
- 1901 Babes, Victor. Die Lepra. Vienna: Alfred Holder.
- Sauton, D. H. La Lèpre. Paris.
