

AUTHOR'S ERRATUM: The following is to be added to IJL, Volume 44, Number 3, July-September 1976, p 366. The first sentence under **Staining Procedures** is to read as follows: "1. Non-deparaffinized sections . . . for 60 minutes at 60°C. Alternatively, the films may be stained in the carbol solution warmed to steaming, but not bubbling, for 5 minutes."
