

ACKNOWLEDGMENT

The *Board of Directors* of the INTERNATIONAL JOURNAL OF LEPROSY gratefully acknowledges the financial assistance from special grantors and sustaining members which, with the special donations of certain members, has made possible the continuation of publication of the JOURNAL directly by the International Leprosy Association. Without this assistance the official organ of the ILA, so essential to leprosy workers everywhere, could not be published.

SPECIAL CONTRIBUTIONS OF MEMBERS—1978

The members of the Board of Directors of the INTERNATIONAL JOURNAL OF LEPROSY are very grateful to the members of the International Leprosy Association who made special contributions during 1978.

Because the cost of publication far exceeds the income from memberships and subscriptions, only through special contributions from members, sustaining members and grantors can this JOURNAL continue to serve the purposes of the Association stated in the Constitution, "to facilitate the dissemination of knowledge of leprosy and its control; and to this end publish a scientific journal of leprosy."
