The purposes of the Association are to encourage and facilitate mutual acquaintance between persons of all nationalities who are concerned in leprosy work and the co-ordination of their efforts and to facilitate the dissemination of knowledge of leprosy and its control.

The Association is divided into two regional bodies, (a) the Western Section comprising the members located in Europe, Africa, and the Americas, and (b) Eastern Section comprising those located in Asia and Oceania. Memberships are (1) *regular*, "limited to persons with recognized medical degrees, and those with other scientific qualifications who are, or have been, actively connected with leprosy work," and (2) *associate*, open to all other persons interested in leprosy and leprosy work. Membership dues are one guinea (British currency) or five dollars (U. S. currency) a year. Each member receives the INTERNATIONAL JOURNAL OF LEPROSY.
